Bede plc, Bowburn South Industrial Estate, Bowburn, Durham, DH6 5AD, U.K.

Founded as a spin-off company from the University of Durham in 1978, Bede Scientific now enjoys a world-wide reputation as a leading manufacturer of high-resolution x-ray diffraction instruments. The poster illustrates highlights and events during the development of the company from its humble beginnings in an old abattoir and funeral parlour to its recent successful floatation on the London Stock Exchange.
