In pursuing its dynamic commitment to the education of the scientific community, the International Centre for Diffraction Data is offering a limited number of ROBERT L. SNYDER Student Travel Awards to help graduate and undergraduate students attend the 2014 Denver X-ray Conference, being held in Big Sky, Montana, 28 July—1 August 2014.

To be a candidate for the Student Travel Award students are required to participate in the technical program by submitting an abstract for oral or poster presentation.

Grants are awarded in the amount of $500 for graduate and undergraduate students living within the USA, and $1,000 for those living outside of the USA. Denver X-ray Conference also offers a reduced student registration fee and student housing—visit our website for complete information—www.dxcicdd.com.

To apply for assistance, submit this completed form, a copy of your abstract and a supporting letter from your research advisor. The deadline for applications is 30 May 2014.

### Application Instructions:
1. **Complete every section of the form.**
2. **Email, mail or fax your completed application and:**
   - a copy of your abstract, and,
   - a letter of support from your professor or research Advisor
3. **Contact ICDD to confirm receipt of application.**
