

## Robert L. Snyder Student Travel Award Application

*Sponsored by the International Centre for Diffraction Data*

In pursuing its dynamic commitment to the education of the scientific community, the International Centre for Diffraction Data is offering a limited number of ROBERT L. SNYDER Student Travel Awards to help graduate, and undergraduate students, as well as Postdocs, attend the **2018 Denver X-ray Conference**, being held in Westminster, Colorado, 6 - 10 August.

To be a candidate for the Student Travel Award, students are required to participate in the technical program by submitting an abstract for oral or poster presentation.

Grants are awarded in the amount of \$500 for recipients living within the USA and Canada, and \$1,000 for those living outside of the USA and Canada. Denver X-ray Conference also offers Grantees waived registration, and reduced student housing. Visit our website for complete information, [www.dxcicdd.com](http://www.dxcicdd.com).

To apply for the award, please submit this completed form, a copy of your abstract and a supporting letter from your research advisor. The deadline for applications is 1 June 2018.

Full Name:
