Robert L. Snyder Student Travel Award Application

Sponsored by the International Centre for Diffraction Data

In pursuing its dynamic commitment to the education of the scientific community, the International Centre for Diffraction Data is offering a limited number of ROBERT L. SNYDER Student Travel Awards to help graduate and undergraduate students attend the **2020 Denver X-ray Conference**, being held in Bethesda, MD, 3 - 7 August 2020.

To be a candidate for the Student Travel Award, students are required to participate in the technical program by submitting an abstract for oral or poster presentation.

Grants are awarded in the amount of \$500 for graduate and undergraduate students living within the USA and Canada, and \$1,000 for those living outside of the USA and Canada. Winners of the award will also have their registration fee to the conference waived.

To apply for the award, please submit this completed form, a copy of your abstract and a supporting letter from your research advisor. The deadline for applications is 1 June 2020.
