

Robert L. Snyder Student Travel Award Application

Sponsored by the International Centre for Diffraction Data

In pursuing its dynamic commitment to the education of the scientific community, the International Centre for Diffraction Data is offering the ROBERT L. SNYDER Student Travel Award to help participating graduate and undergraduate students attend the 2024 Denver X-ray Conference, being held 5 - 9 August 2024.

To be a candidate for the Student Travel Award, students are required to participate in the technical program by submitting an abstract for oral or poster presentation.

Grants are awarded in the amount of \$1,000 USD for graduate and undergraduate students living within the USA and Canada, and \$1,500 USD for those living outside of the USA and Canada. Denver X-ray Conference also offers reduced student housing. Visit our website for complete information, www.dxicidd.com.

To apply for the award, please submit this completed form, a copy of your abstract, a supporting letter from your research advisor, and a photo to be used during the conference. The deadline for applications is 3 June 2024.
